

@gkvfreshdesign.com

An Online Tennis Database is available, with a rainbow of clearly-defined features ...

**... Just £50 / month, for everything ... email**  
**[one\\_solution@gkvfreshdesign.com](mailto:one_solution@gkvfreshdesign.com)**

- **Security** - What others can see is governed by the administrator. Indeed, the Administrator is in control of all functionality, without any need to invoke the help of the designer
- **Membership and Subscriptions**
- **A Booking Sub-System** – showing, *at a glance*, with Y or N, whether there are any available courts at every hour, from 8am to 9pm, on every day for more than three weeks
- **A Diary of Social Events, A Diary of Employment and Accounts** – with a formatted report to excel
- The option to **View Past Results** for any given individual within any designated timeframe – with a formatted report to excel
- **Leagues, Ladders and Tournaments** to be drawn up automatically, with all participating players selected at the press of a button; and with points summated for each league player – with automatic promotions and relegations
- **Graphical Interface** – showing court usage by court type and by season; and club demographics
